

**Empowering Students...  
Celebrating Achievements...**

## Chairman's Desk

We aim to uplift the rural students in academic excellence particularly in the field of Science and Technology. Pharmaceutical Sciences are the backbone of healthcare system across the globe. We wish to contribute to this noble system through high-quality education as well as research. We are also very concerned about our role in social contribution. In this regard, I am happy that the group is doing well in various social activities. Our motto is to promote professionalism, team spirit, social and ethical commitment to boost leadership roles assisting improvement in health care.

**Hon'ble Shri. Nitinrao  
Shankarrao Kolhe**  
Chairman  
Sanjivani Rural Education Society

## Managing Trustee's Desk

We are deeply committed to empowering rural students by fostering academic excellence, particularly in the fields of Science and Technology. As a cornerstone of the global healthcare system, Pharmaceutical Sciences hold immense potential to transform lives, and we strive to make meaningful contributions through exceptional education and groundbreaking research in this vital domain.

I am delighted to see the group's active involvement in numerous impactful social initiatives. Our mission is to nurture professionalism, cultivate teamwork, and instill a strong sense of social and ethical responsibility. We aim to inspire future leaders who will play a pivotal role in enhancing the healthcare system and uplifting society.

**Hon'ble Shri. Amit  
Nitinrao Kolhe**  
Managing Trustee  
Sanjivani Rural Education Society

## Hon'ble Shri Amitdada Kolhe, President of Sanjivani University, Honored as a Visionary Leader by Plus NineOne Media.

We are proud to announce that our President, Shri. Amitdada Kolhe, has been honored with the Visionary Leader Award by Plus NineOne Media! His dedication to education excellence and visionary leadership continue to inspire our entire community.

In addition to receiving this prestigious accolade, Shri Amitdada Kolhe took part in a high-impact panel discussion on Reimagining Higher Education: Building Future-Ready Universities Through Innovation, Industry Integration & Digital Transformation. His insights on forging stronger industry partnerships, embracing cutting-edge digital tools, Faculty Internship Program, and fostering a culture of innovation resonated deeply with educators and thought leaders from across the country.

Congratulations to Shri Amitdada Kolhe on this well-deserved recognition! Under your leadership and the guidance of our Chairman honorable Shri Nitindada Kolhe, Sanjivani University and Sanjivani Group of Institute remain at the forefront of transformative higher education.

## Seven Engineers from Sanjivani Engineering College Selected for Jobs: A Remarkable Achievement by the Training and Placement Department

Kopargao: Through the dedicated efforts of the Training and Placement (T&P) Department at Sanjivani Engineering College, campus placement drives were recently conducted in collaboration with companies like TCS, RsquareSoft Technologies, and Asian Heart. As a result of these drives, seven final-year students from the college have secured placements with attractive annual packages. The college has announced this success through an official press release, noting that the T&P Department continues to lead in securing employment opportunities for its students across multiple reputed companies.

During this campus placement drive, TCS selected Ritika Ramchandra Ghavate and Achyut Ajay Sarangdhar from the Computer Engineering department. RsquareSoft Technologies selected Rohit Prakash Chavan from Computer Engineering and Jalindarnath Subhash Kangane and Tushar Sudhakar Petkar from the Information Technology department. Asian Heart selected Siddhi Satish Amle and Atharva Sachin Joshi, both from Information Technology.

Thanks to the continuous efforts of Sanjivani, many students from rural backgrounds are landing high-paying jobs, becoming the financial backbone of their families. Moreover, as their earnings return to the rural economy, it contributes significantly to strengthening the local economic structure. Every year, over a thousand students secure employment through Sanjivani's placement initiatives. This consistent success has instilled great satisfaction among parents and validated their trust in Sanjivani. Whether it is job placements, competitive events, international internships, or MS admissions abroad, Sanjivani continues to excel on all fronts. As a result, parents' confidence in the Sanjivani model continues to grow stronger. The press release concludes with this sentiment.

Sanjivani's President Mr. Nitindada Kolhe and Managing Trustee Mr. Amit Kolhe congratulated all the selected students and their parents on this achievement.

Kopergaon: With the aim of securing well-paying jobs for its students and fulfilling the expectations of parents, the Training and Placement (T&P) Department of Sanjivani Engineering College continuously connects with top companies and provides students with training tailored to industry needs. As part of these efforts, a campus placement drive was recently conducted by Vision Waves—a company working in the field of Artificial Intelligence (AI) and Machine Learning (ML).

During this placement drive, Vision Waves selected eight final-year Computer Engineering students for roles offering an annual package of ₹6 lakh and above. This information was officially shared by the college through a press release.

The selected students are: Abhishek Prabhakar Abhale, Taufiq Ansar Attar, Vaibhav Vikram Bhorkade, Abhishek Rajendra Gaikwad, Aditi Laxman Bairagi, Prashant Ashok Pachore, Kshitija Vinayak Thakur, Rishikesh Madhukar Raut.

Chairman of Sanjivani, Mr. Nitindada Kolhe, and Managing Trustee Mr. Amit Kolhe congratulated all the selected students on their achievement.

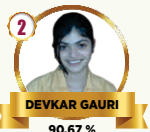

I'm Aditi Bairagi from a humble family in Kopergaon. After completing my Diploma in Computer Technology from Sanjivani Polytechnic, I joined Sanjivani Engineering College directly in the second year due to my good marks. From the beginning, we received training in interview skills, expert sessions, and industry visits. Before the campus drive, we practiced thoroughly—and many actual interview questions were similar to what we prepared. The company focused on AI/ML, coding, and teamwork through project discussions. Thanks to Sanjivani's support, I cleared the interview and achieved my dream job, fulfilling the hopes of my parents and mine.

## Nikita Khairnar from Sanjivani Jr. College Tops Commerce Stream with 92.83%, Bhakti Dhadhiwal and Samarth Shikhare Lead Science Stream with 89% Each: Continues 100% Result Tradition

Kopergaon: The Maharashtra State Board of Secondary and Higher Secondary Education recently announced the results of the Class 12 examinations held in February–March 2025. Sanjivani Junior College, under the Sanjivani Group of Institutes, has once again upheld its tradition of excellence by achieving a 100% result in both Commerce and Science streams.

In the Commerce stream, Nikita Nanasahab Khairnar secured the top position with an impressive 92.83% marks. In the Science stream, Bhakti Kalpesh Dhadhiwal and Samarth Sunil Dhadhiwal both scored 89%, jointly claiming the first rank. This information was shared through an official press release by Sanjivani Junior College. The press release further stated that in the Commerce stream, Gauri Sandip Devkar secured the second rank with 90.67%, while Suyash Anil Khaire earned the third position with 89.33%.

In the Science stream, Ashwini Gorakhnath Mhaske came second with 87.83%, and Darshan Pravin Kapse secured third place with 86.50%.

A total of 67 students appeared for the Commerce stream examination. Among them, two students scored above 90%, 23 students scored between 80% and 89%, and 30 students scored between 70% and 79%. In the Science stream, 320 students appeared for the examination, with 18 students scoring between 80% and 89%, and 63 students scoring between 70% and 79%.

Chairman of Sanjivani Group of Institutes, Mr. Nitindada Kolhe, and Managing Trustee Mr. Amit Kolhe congratulated all the meritorious students, their proud parents, Principal Dr. R. S. Shendge, and the entire teaching team on this remarkable achievement.

## Shreya Mahindrakar and Ishwari Lohakane of Sanjivani Academy Top CBSE Exam with 99% Marks: Sanjivani's Talented Students Uphold the Tradition of 100% Results

Kopergaon: Kopergaon: The Central Board of Secondary Education (CBSE) has officially released the results for the Class 10 examinations held in February 2025. Sanjivani Academy's outstanding students have once again upheld the school's legacy of academic excellence by achieving a 100% pass rate.

Among them, Shreya Rupesh Mahindrakar and Ishwari Nilesh Lohakane showcased their exceptional talent by securing 99% marks, achieving first rank in the school. Shreyan Santosh Bhore secured the second position with 97.20%, while Riyanish Jayprakash Karwa stood third with 97%. Siddhant Vilas Mahire secured 96.40%, claiming the fourth rank.

A total of 97 students appeared for the exam. With outstanding performance, Sanjivani Academy has once again proven its academic excellence, as mentioned in the press note released by the school.

The press note further states that Shweta Vijay More and Arya Sujitkumar Sonawane each scored 96.20%. Sanskar Santosh Beldar secured 95.80%, Nishigandha Shantaram Wabale scored 95.40%, while Aditya Dharmaraj Bhamre and Parth Dattatraya Rahane both scored 95.20%. In total, 12 students scored above 95%. Additionally, 34 students scored above 90%, and 66 students scored above 80%. In subject-wise excellence, 6 students scored a perfect 100 out of 100 in Marathi, and 2 students achieved 100 in Sanskrit. In English, 48 students scored above 90%. Combining Hindi, Marathi, and Sanskrit, a total of 56 students scored above 90%. In Mathematics, 10 students scored above 90%; in Information Technology, 78 students; in Science, 15 students; and in Social Studies, 25 students achieved above 90%.

Sanjivani Academy students have consistently excelled not only in academics but also in various domains such as sports, cultural activities, science exhibitions, technical competitions, and elocution contests, winning numerous awards and maintaining a leading position. Now, by delivering 100% results in academics, they have added a prestigious feather to the school's cap, the note concludes.

Sanjivani's President Mr. Nitindada Kolhe, Managing Trustee Mr. Amit Kolhe, and School Director Dr. Manali Kolhe have extended their heartfelt congratulations to all the meritorious students and their parents, as well as to Executive Principal Mrs. Rekha Patil, Principal Mrs. Shaila Dubey, and the entire teaching staff.

## Aryan Nakra of Sanjivani International School tops CBSE exam with 95% marks; Sanjivani's talented students uphold tradition of 100% result

Aryan Nakra

Kopergaon: The Central Board of Secondary Education (CBSE) has announced the results of the Class 10 examination conducted in February 2025. The talented students of Sanjivani International School, Shirdi, have upheld the school's tradition of achieving a 100% result.

Aryan Nakra showcased his exceptional talent by securing 95% marks and achieved the distinction of topping the school. Shruti Bhaurao Gangurde secured second place with 94% marks, while Jiya Naresh Parakh stood third with 92% marks. This excellent performance once again proves the high academic standards of Sanjivani International School, according to a press release issued by the school.

The students of Sanjivani International School have also excelled in various fields such as sports, cultural activities, science exhibitions, technical competitions, and elocution contests, consistently winning awards and demonstrating leadership. Now, with a 100% result in academics, the school has added another feather to its cap, the press note further stated.

Sanjivani's President Shri Nitin Dada Kolhe, Managing Trustee Shri Amit Kolhe, and the School's Director Dr. Manali Kolhe have extended their congratulations to all the meritorious students, their parents, Principal Director Sudha Subramanyam, Principal Reena Rajput, Headmistress Rekha Salunkhe, and all the teachers.

## Three-Day Cyber Security Training on "Fortinet Certified Professionals" Empowers Students at Sanjivani University

Sanjivani University, known for its dedication to academic excellence and industry-aligned education, recently concluded a comprehensive three-day workshop titled "Cyber Security – Fortinet Certified Professionals" from May 19th to May 21st, 2025, at the Cyber Security Classroom. This initiative forms a crucial part of the university's ongoing efforts to equip students with advanced skills and globally recognized certifications that meet current industry standards.

**Key Details of the Event:** Exam Readiness and Strategy: Students received comprehensive guidance on the format, structure, and key content areas of the Fortinet Certified Professional (FCP) exam. Emphasis was placed on strategic preparation, enabling students to create effective study plans and manage their time efficiently during the exam.

**Certification Compliance:** Participants gained a thorough understanding of certification rules, exam guidelines, and compliance protocols. They were briefed on the importance of maintaining integrity and adhering to Fortinet's official policies throughout the certification process.

**Hands-On Practical Training:** A highlight of the workshop was hands-on experience in Fortinet training labs. Students engaged in practical simulations involving firewall configurations, security rule implementations, threat monitoring, and response strategies. This practical exposure significantly enhanced their technical skills and application-based learning.

**Utilization of Online Resources:** The workshop introduced students to resources like ExamTopics.com, a community-driven platform offering practice questions, peer discussions, and doubt resolution. This facilitated targeted improvement in weaker areas and enhanced conceptual clarity.

**Interactive Learning Environment:** Sessions fostered collaborative learning through peer discussions, Q&A sessions, and instructor-led demonstrations. This interactive approach encouraged deeper engagement with the subject matter and promoted a comprehensive understanding of cybersecurity principles.

This initiative underscores Sanjivani University's commitment to preparing students for the challenges of the digital age, ensuring they are well-equipped to meet the evolving demands of the cybersecurity industry.

## Prof. Dhananjay Kumbhar, Dr. N.K. Darwante, and Prof. Sudhanshu Bhatt Take on Key Leadership Roles at Sanjivani

**Prof. Dhananjay Kumbhar**  
Dean Alumni Relations  
Sanjivani Group of Institutes

**Dr. N. K. Darwante,**  
Dean Alumni Relations  
SCOE

**Prof. Sudhanshu Bhatt**  
Director, University Relations  
Sanjivani University

Prof. Dhananjay Kumbhar, Dr. N.K. Darwante, and Prof. Sudhanshu Bhatt have been appointed to esteemed positions within the Sanjivani Group of Institutes:

- Prof. Dhananjay Kumbhar as Dean, Alumni Relations (Sanjivani Group of Institutes)
- Dr. N.K. Darwante as Dean, Alumni Relations (SCOE)
- Prof. Sudhanshu Bhatt as Director, University Relations (Sanjivani University)

Their new roles are set to strengthen alumni engagement, foster meaningful connections, and contribute to the holistic growth of the institution.

The appointments were formally acknowledged in a special ceremony graced by Hon'ble Amitdada Kolhe (Managing Trustee, Sanjivani Group of Institutes), alongside Dr. A.G. Thakur (Vice Chancellor, Sanjivani University), Dr. R.S. Shendge (Head of Academic Governance), Dr. M.V. Nagarhalli (Director, Sanjivani College of Engineering), and Prof. Amol Dhakane (Registrar, Sanjivani University).

As they begin this new journey, the Sanjivani community looks forward to their visionary leadership, meaningful collaborations, and lasting contributions that will shape a brighter future for the institution.

## Chaitanya Tekane Secures Role at Amazon Canada : A Proud Moment for Sanjivani

Mr. Chaitanya Santosh Tekane, a distinguished alumnus of the Computer Engineering Department (Batch 2023) from Sanjivani College of Engineering, has achieved a remarkable milestone by securing a position as a Software Development Engineer at Amazon, Canada.

His journey stands as a testament to perseverance and excellence—from being selected as a MITACS Intern in 2022 at the University of Montreal, to pursuing his Master's degree at McGill University, and now beginning a promising career at one of the world's leading tech companies.

On behalf of Hon'ble Shri Nitin Kolhe Saheb, Chairman, Sanjivani Group of Institutes, and Hon'ble Shri Amitdada Kolhe, President, Sanjivani University, we extend our heartfelt congratulations to Chaitanya for his outstanding achievement.

The Sanjivani family takes immense pride in his success and wishes him continued excellence as he makes his mark on the global stage.

## Sixteen students from Sanjivani Polytechnic have been selected by L&T Defence for jobs: Highlighting the commendable efforts of the Training & Placement Department

Managing Trustee of Sanjivani Group of Institutes congratulating sixteen students of Sanjivani Polytechnic for their selection in L&T Defence. Post-ceremony photograph featuring Principal Prof. Mirikar, Prof. Vattamwar, Prof. Sayyad, and Prof. Aher.

Kopergaon: Every year, Sanjivani K.B.P. Polytechnic's Training & Placement (T&P) department ensures that hundreds of diploma graduates are placed in renowned companies. This year, following consistent success, after a vibrant campus recruitment drive, sixteen final-year Mechanical Engineering students have been selected by L&T Defence in Pune for attractive positions, as announced by Sanjivani Polytechnic through a press release.

Among the selected students at L&T Defence are Harshal Arun Gadakh, Krishna Vikas Kad, Om Nanasaheb Bagul, Prashant Ganesh Take, Rituraj Rajendra Lokhande, Sanket Kailas Nazare, Tejas Arun Gosavi, Ubaid Bhat, Vikram Vijay Bhagwat, Vivek Sampatrao Jadhav, Yash Changdev Wakchaure, Akash Vijay Unde, Nantu Kumar, Naresh Kumar, Rameshwar Bhausahab Bhagwat, and Vaibhav Pandharinath Chavan.

L&T Defence, a part of Larsen & Toubro, a multinational company, is known for providing defense equipment and various systems to Indian armed forces. Sanjivani Polytechnic's students have been given this opportunity to serve the nation directly through indirect service agreements. Last year, the company selected six students for jobs, appreciating Sanjivani's distinctiveness achieved by effectively blending technical knowledge acquired at Sanjivani.

As a result, this year, L&T Defence has offered excellent job opportunities to sixteen students from Sanjivani Polytechnic, much to the delight of President Shri Nitindada Kalhe, who expressed his congratulations to all the selected students and their parents. Managing Trustee Shri Amit Kolhe also honored them and extended best wishes for their future endeavors. Present at the occasion were Principal A.R. Mirikar, Head of Department Prof. G.N. Vattamwar, T&P Department Head Prof. I.K. Sayyad, and Coordinator Prof. N.S. Aher.

## Three Sanjivani Engineering Students Secure ₹27 Lakh Annual Packages; Three Others Offered ₹21 Lakh Packages at a Multinational Financial Firm

**DAWANGE  
SANKET**

**GADE  
PRANAV**

**JOSHI  
VINIT**

Kopergaon: Due to the efforts of the Training and Placement (T&P) Cell, and faculty members of the Computer Engineering and Information Technology departments at Sanjivani Engineering College, a multinational financial company has selected nine students for high-paying jobs.

Out of these,

- Three students have been offered annual packages of ₹27 lakhs each,
- Three students have been offered ₹21 lakhs each,
- One student was selected with a package of ₹16 lakhs,
- One with ₹9 lakhs, and
- One with ₹8 lakhs.

This information was shared in a press release by Shri Amit Kolhe, Managing Trustee of Sanjivani Group of Institutes.

According to the press release,

- Rahul Kailas Jagdhane, Vaishnavi Sachin Mohadkar, and Prathamesh Santosh Sonawane were selected with an annual package of ₹27 lakhs each.
- Yashodip Sudhir Bhamare, Dnyaneshwari Vijayraj Dolzhake, and Rushikesh Rajendra Wabale received ₹21 lakhs each.
- Sanket Shriram Davange was selected with a ₹16 lakh package.
- Pranav Vikramaditya Gade and Vinit Harshad Joshi were selected with ₹9 lakh and ₹8 lakh annual packages, respectively.

Shri Amit Kolhe further stated in the press note that many industries struggle to find engineers skilled in modern technologies, while many engineers fail to secure well-paying jobs. This gap was recognized by the institution's founder and former minister, the late Shri Shankarrao Kolhe.

To bridge this gap, under the leadership of Chairman Shri Nitindada Kolhe, Sanjivani Engineering College attained autonomous status from the academic year 2019-20 and revised its curriculum to include cutting-edge technologies sought by top industries.

The positive outcome of this initiative is evident right from the first autonomous batch, with students securing top placements.

The Sanjivani Educational Group, established about 42 years ago by the late Shri Kolhe, was founded with the vision that students from rural backgrounds should secure well-paying jobs in reputed companies or government sectors, and that some of them should even become job creators by starting their own ventures. His vision continues to be proven true year after year.

## Four Sanjivani Engineering Students Selected by Kirloskar, and Five by BusinessNext for Employment: Sanjivani's Commitment to Securing Jobs for Its Students

**RUTUJA  
BENDRE**

**DEVANSHI

Kopergaon: In this vast world, the most precious possession for parents is their children. Every parent aspires for their child to be well-settled, self-reliant, and gainfully employed. With this hope, parents enroll their children at Sanjivani Engineering College. The college's Training and Placement Department actively engages with various companies to organize campus placement drives. As a result of such efforts, Kirloskar Pneumatic Company recently selected four students, while BusinessNext selected five students for employment with attractive annual packages.

In this way, Sanjivani Engineering College continues its dedicated mission of securing jobs for its students in reputed companies, thus fulfilling the dreams of parents, as stated in the official press release from the institution. Kirloskar Pneumatic, a leading company in the field of mechanical manufacturing, selected the following final-year Mechanical Engineering students: Krishna Sanjay Raut, Saharsh Umesh Gunjal, Aishwarya Manoj Kumbhar, Kartik Rajendra Pawar.

BusinessNext, a global company providing software support to banks and financial institutions, selected the following students: Rutuja Shivaji Bendre (Computer Engineering), Devanshi Lokesh Gupta (Computer Engineering), Swaraj Shashikant Lande (Information Technology), Akshada Somanath Chavan (Information Technology), Rushikesh Bhausaheb Dubey (Electronics and Computer Engineering)

All the selected students hail from rural backgrounds. With Sanjivani's efforts, students from rural areas are transforming into professionals, bringing immense satisfaction to their parents. Many parents personally visit the management, directors, department heads, and faculty to express their gratitude and appreciation for the college's initiatives.

All institutes under the Sanjivani Group run dedicated programs aimed at the holistic development of students, which has made the "Sanjivani Pattern" especially popular among parents, the press note concludes.

Sanjivani's President Mr. Nitindada Kolhe and Managing Trustee Mr. Amit Kolhe extended their congratulations to all the selected students and their parents and conveyed best wishes for the students' future endeavors.

## Six Sanjivani Polytechnic Engineers Selected for Jobs at IFB Electronics Even Before Final Results: Appointment Letters Already in Hand

Managing Trustee of Sanjivani Group of Institutes, Mr. Amit Kolhe, felicitated the Polytechnic students selected for employment at IFB Electronics. The photo was taken after the felicitation. Also present were Principal Mirikar, Prof. Syed, and others.

Kopergaon: Thanks to the efforts of the Training and Placement (T&P) Department of Sanjivani K.B.P. Polytechnic, a campus placement drive was recently organized to secure job opportunities for final-year students. As a result, IFB Electronics, a reputed manufacturer of home appliances, has selected six students from the Electrical Engineering department for employment with an attractive salary package.

The T&P department successfully facilitated the placement process, and the selected students have already received their official appointment letters even before the final examination results, according to a press release issued by Sanjivani Polytechnic.

The students selected by IFB Electronics are: Gayatri Dharmendra Devre, Sakshi Shashikant, Santosh Kumar, Gorakhnath Dnyaneshwar, Pratik Sanjay Gaikwad, Shyam Kumar.

With technology evolving rapidly, leading companies are now using advanced technology and machinery in their production processes. Sanjivani's T&P department identifies the specific technologies required by different companies and ensures that students receive specialized training in those areas. Students are thoroughly prepared through written and oral assessments and company-specific interview practice sessions, enabling them to face real interviews with confidence and success.

Sanjivani Group President Mr. Nitin Kolhe congratulated all the selected students and their parents. Managing Trustee Mr. Amit Kolhe honored the selected students in a small felicitation ceremony. Principal Prof. A. R. Mirikar and T&P Head Prof. I. K. Syed were also present on the occasion.

## Empowering Educators with Data Analytics: Sanjivani University Hosts FDP on Microsoft Power BI

In alignment with its vision to promote digital literacy and data-driven decision-making in academia, Sanjivani University organized a five-day Faculty Development Program (FDP) on Microsoft Power BI from 5th to 9th May 2025. Held at the Cyber Security Classroom, the program drew enthusiastic participation from 30 faculty members across various departments.

The FDP was meticulously designed to equip educators with advanced data analysis and visualization skills using Microsoft Power BI, a leading business intelligence tool widely used in both academic research and industry.

Key Highlights of the FDP:

Structured Curriculum Aligned with Microsoft Certification: The training followed a well-defined structure based on Microsoft's official Power BI certification syllabus, ensuring that participants gained industry-standard knowledge and skills relevant for real-world applications and certification exams.

Comprehensive Coverage of Power BI Modules:

The sessions covered essential topics such as:

- Data Preparation and Transformation
- Data Modeling and Relationships
- DAX (Data Analysis Expressions) Functions
- Data Visualization Techniques
- Interactive Dashboard Creation

Hands-On Practical Sessions:

One of the key strengths of the program was its experiential learning approach. Participants worked on real-time datasets and scenarios, developing fully functional interactive reports and dashboards. This hands-on experience allowed them to apply theoretical concepts in a practical setting, reinforcing learning outcomes.

Academic and Analytical Integration:

Faculty members were guided on how to integrate Power BI into their teaching, research, and administrative tasks. Use cases were demonstrated on how Power BI can be used to track academic performance, research data trends, institutional KPIs, and more.

Boosting Analytical Confidence and Capability:

The FDP significantly boosted the participants' confidence in using Power BI as an analytical tool. Faculty members expressed that they now feel empowered to adopt data analytics in their curriculum and contribute more meaningfully to data-driven education and policy-making within the university.

## LEAD–Sanjivani Exchange 2025: 44 BBA Students Recognized for Excellence

In a proud moment for Sanjivani University, a total of 44 BBA students were awarded certificates for successfully completing the LEAD–Sanjivani Exchange (LSE) 2025 program. The ceremony, held on campus, marked the culmination of a dynamic exchange initiative focused on leadership, innovation, and cross-institutional collaboration.

The event witnessed enthusiastic participation from students and faculty, with dignitaries from LEAD and Sanjivani congratulating the achievers. The program empowered students with valuable skills and exposure beyond the classroom, aligning with the university's commitment to holistic development.

Sanjivani University commends all participants for their dedication and wishes them continued success in their academic and professional journeys.

### Faculty Achievement

## Faculty Achievement: Miss Priya Singh Completes UGC Refresher Course

Miss Priya Singh, Assistant Professor at the Department of Commerce and Management, Sanjivani University, has successfully completed the Multidisciplinary Refresher Course under the Malaviya Mission Teacher Training Programme (MM-TTP) organized by the Central University of Jammu, in collaboration with Government Degree College, Bhadarwah. The two-week program was held from 12th April to 26th April 2025.

This initiative, backed by the University Grants Commission (UGC), Government of India, is part of a national effort to upgrade the skills, pedagogy, and research orientation of faculty members across disciplines. Miss Singh's participation reflects her ongoing commitment to professional development and academic excellence.

## Sanjivani University Collaborates with IIT Bombay FOSSEE for 3-Day Python Programming Workshop

In a significant step toward strengthening computational thinking and programming skills among students and faculty, Sanjivani University, in collaboration with IIT Bombay's FOSSEE (Free/Libre and Open Source Software for Education) Project, successfully conducted a three-day online Python Workshop from 12th to 14th May 2025. The initiative was part of the university's ongoing efforts to promote technical proficiency through open-source technologies.

A total of 71 participants took part in this immersive online training program, which was delivered through Yaksh, an interactive e-learning platform developed by IIT Bombay to support hands-on coding and self-assessment.

Key Objectives and Features of the Workshop:

- Focused on Hands-On Python Programming:

The core objective of the workshop was to provide participants with practical experience in Python, one of the most widely used programming languages in the domains of data science, machine learning, web development, and automation.

- Structured Curriculum by IIT Bombay:

The workshop curriculum was thoughtfully designed by subject matter experts at IIT Bombay, ensuring alignment with academic and industry standards. It included foundational and intermediate-level topics such as:

- Ø Python syntax and semantics
- Ø Control structures and data types
- Ø Functions and modules
- Ø File handling and exception management
- Ø Introduction to object-oriented programming

- Interactive Learning via Yaksh Platform:

The sessions were conducted using the Yaksh learning platform, which offered a blend of video lectures, auto-graded coding exercises, quizzes, and immediate feedback mechanisms. This interactive model ensured active engagement and concept reinforcement through practice.

- Self-Paced and Assessment-Oriented:

The workshop adopted a self-paced structure, allowing learners to progress based on their comfort level while being continuously evaluated through graded exercises. This format encouraged both independent learning and accountability.

## Faculty Achievement

### Mr. Gohil Pratik Paresh Successfully Completes NPTEL Course on Research Methodology

Sanjivani University proudly recognizes the academic commitment and professional development of Mr. Gohil Pratik Paresh, who has successfully completed the NPTEL (National Programme on Technology Enhanced Learning) course titled "Introduction to Research Methodology" during the January-April 2025 session.

Mr. Gohil's successful completion of this course not only reflects his personal dedication to continuous learning but also contributes significantly to the academic ecosystem of Sanjivani University. By staying abreast of current research methodologies, he is better equipped to guide student projects, collaborate in interdisciplinary research, and contribute to institutional research output and quality publications.

The university congratulates Mr. Gohil on this achievement and encourages other faculty members to actively pursue similar upskilling opportunities through nationally recognized platforms like NPTEL.

### Dr. Nachiketa Sahu Represents Sanjivani University at IP Utsav 2025

Sanjivani University is proud to highlight the participation of Dr. Nachiketa Sahu in IP Utsav 2025, an event dedicated to promoting awareness and engagement around Intellectual Property (IP) rights in academia and industry.

Dr. Sahu received the Certificate of Participation in recognition of his involvement in this national-level celebration of innovation, creativity, and intellectual property awareness. IP Utsav serves as a platform for academic leaders, researchers, legal experts, and policymakers to exchange insights on the evolving landscape of IP laws, patent filing processes, and commercialization strategies. His participation in this significant event underlines Sanjivani University's commitment to fostering a culture of research integrity, innovation, and IP literacy among its faculty and students. His involvement helps pave the way for stronger institutional engagement in IP-driven research, interdisciplinary innovation, and entrepreneurial development.

### Prof. Sudhanshu Bhatt and Ms. Harshada Jadhav Honored with LEAD-Sanjivani Exchange Certification at LSE 2025

Sanjivani University proudly celebrates the participation and recognition of Prof. Sudhanshu Bhatt and Ms. Harshada Jadhav in the prestigious LEAD-Sanjivani Exchange (LSE) 2025, hosted at LEAD College of Management, Dhoni, Palakkad, Kerala from 26th to 30th April 2025.

As part of the academic and cultural collaboration initiative between Sanjivani University and LEAD College of Management, the exchange aimed to enhance faculty development, promote inter-institutional learning, and foster best practices in management education. The event included a series of expert talks, interactive sessions, cultural exchange activities, and collaborative discussions on innovation and leadership in higher education.

Both members were formally felicitated and awarded certificates of participation in a ceremony held on 1st May 2025, acknowledging their contribution to academic engagement and exchange of knowledge.

### Faculty Achievements: Ms. Alisha Gajbiye and Ms. Shivani Kumari Excel in NPTEL Korean Language Program

Sanjivani University proudly applauds the successful completion of the NPTEL course "Korean II" by Ms. Alisha Gajbiye and Ms. Shivani Kumari, who have demonstrated exceptional dedication to continuous professional development in the field of language and intercultural communication.

Both faculty members enrolled in the 12-week NPTEL Korean II program, conducted during the January to April 2025 session, as part of their academic upskilling and multilingual competency enhancement. The course was designed to deepen the understanding of the Korean language, focusing on grammar, vocabulary, sentence construction, and conversational fluency.
